My signature signifies my approval for the Radius Layout charges to be placed on the above credit card number.

Instructions:

Please note the radius of the curved track when filling in the required information for the paper template. (See diagram below)

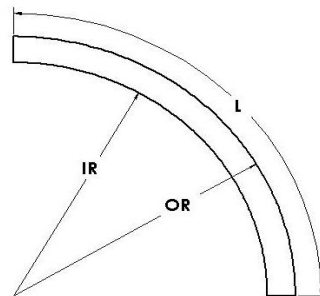

Standard layout length is 10'. Custom lengths are available upon request.

You must know your starting and ending point to properly use the template

The charge is \$11.00 per layout plus the cost of expedited shipping if chosen.

This form will be returned to you for confirmation before the layout will be prepared.

Please contact us with any questions you may have.

OR - Outside Radius
IR - Inside Radius
L - Arc Length
